**Room reservation:** To know more about the rules that concern the reservation, please click on the following link: [Hotel Reservations](#)

Hotel is attached to Millennium Place

When you contact the hotel please say it's with Handball National Championships.

Cost for a hotel room is \$129.00 plus taxes. **I have 40 rooms blocked after that price will go up.**

The Hotel will be asking for one night charge with taxes from the individual making the reservation, at the time of reservation that would become non-refundable in case of cancellation. Then the closer we approach the event date the larger the restrictions on the reservations, for example, full rate charged for those cancelations made 7 days prior to arrival.

**Car Rentals:** Budget 1-800-661-7027 or best way just go to [www.expedia.ca](http://www.expedia.ca)

**CTHF AGM:** AGM will be held at Millennium place where the handball games are taking place, so best place to stay is at the hotel I have put a hold on.

### ***2009 Juvenile Nationals information***

The CTHF head office received recently the name of the host city for the next 2009 Juvenile National Championships.

The city chosen by the Quebec Team Handball Federation is the city of Granby, situated half way between Montreal and Sherbrooke and accessible by highway #10. We will publish in the next weeks the name of the facilities where the games will be played.

We suggest that you contact your local rental agency to book a vehicle or a mini-van for your transportation between Dorval airport and Granby. The LOC is actually negotiating with the management of the Hotel le Castel for the rates offered for this event.

We will put this information in the next Newsletter published in late November.

### ***ATHF Newsletter***

The CTHF regularly receive the ATHF Newsletter. This Newsletter contains information about players and teams of this province. For reading the latest edition, please click on the following link: [ATHF Newsletter](#)

### ***FQHO Newsletter***

We also received the first edition of the FQHO Newsletter. After several years without a monthly magazine, the FQHO hired a new employee in the name of Richard Pascone, and he is in charge of producing this edition and the others to come. Mr Pascone is also involved in the Laval Team Handball Association. Though written in French, we invite you to overlook this recent newsletter.
