1. Senior Women National Team Job Offer

The CTHF Management Committee is happy to announce the beginning of the process selection for the Head Coach position of the Senior Women National Team. 2. NCCP Level 1 Formation for Instructors in Regina

The CTHF is organizing a NCCP level 1 for instructors from September 18th through September 20th in Regina, Saskatchewan.

The CTHF will cover the travelling cost and the hotel room expenditure, in double occupancy for one candidate. Provinces might delegate other candidates, but at their own cost.

Trainers attending this course will have to be certified level 2 of the old NCCP and have pertinent experience in training.

Trainers who want to get the level 1 certification will have to go through the complete process before being certified, which means to attend the session, to be active as a coach and finally to be evaluated.

Provinces will have to submit the names of their candidates by Friday August 28th 2009.

3. Western Canada Referee Symposium

The CTHF would like to inform you that the tentative dates of this symposium should be November 20th through November 22nd 2009 in Winnipeg, Manitoba. The CTHF is expecting a confirmation by the MTHF in the coming weeks.

More details in the next Newsletter.

4. NCCP Community Level Material

The CTHF would like to advise its provincial affiliates that the material for the community level of the new NCCP is now available on our website and ready to use. You will need a password to have access and we will send you one upon request.
