1. Senior Men Qualification Tournament (Dominican Republic)

The Canadian Senior Men Team earned its qualification for the next Pan-American Championships in Chili in June 2010 by winning the silver medal against the Dominican Republic who won the final game by the score of 35 – 23. It was the 5th game in 5 days and the team didn't have any energy for this final game. The motivation wasn't intense since the qualification for the next Pan-Am Championship was the priority.

Three Canadian players were selected on the All-Star Team. The goal keeper Jonathan Leduc, the right winger Geoffroy Bessette-Colette and the right back Simon Baril-Bronsard were the players selected. Simon Baril-Bronsard was chosen the best back player of the tournament.
