**CTHF 2010 National Championships**

The CTHF recently received the signed hosting agreements for the next 2010 National Championship and is now confirming officially the names of the cities where these championships will take place.

First, the 21 years old and younger category will take place in the province of Quebec, in the city of Laval. The Senior Championship (22 year old and older) will take place in the province of Alberta, in the city of Edmonton.

We will prepare in the next newsletter a resume of the different aspects of these championships.

We insist on the first deadline of these championships. The provinces have to confirm their participation by Friday, February 26<sup>th</sup> 2010.

The provinces will have to declare their intents to participate by category for the next 2010 championships. The provinces will have to submit the #1 form and making sure that they completed part A and B.

**Provinces that won't respect this deadline and all other deadlines will be fined fifty (\$50) dollars per day.**

We also remind you the age limit for the different categories for these championships:

**21 years old and younger:** athletes born in 1989 and younger

**\*Seniors:** athletes of 22 years old and older

(\* an athlete of 21 years old and younger may participate in the category 22 years old and older)
